

dit kan ik al!

- ik kan de hoeveelheden 0, 1, 2 en 3 correct benoemen.
- ik kan de cijfers 0, 1, 2 en 3 schrijven.

1  verdeel alle appels over de twee manden.

2  vul de rechthoek in.

3

vul de linkerkamer in.

4

vul de lege kamer in.

5

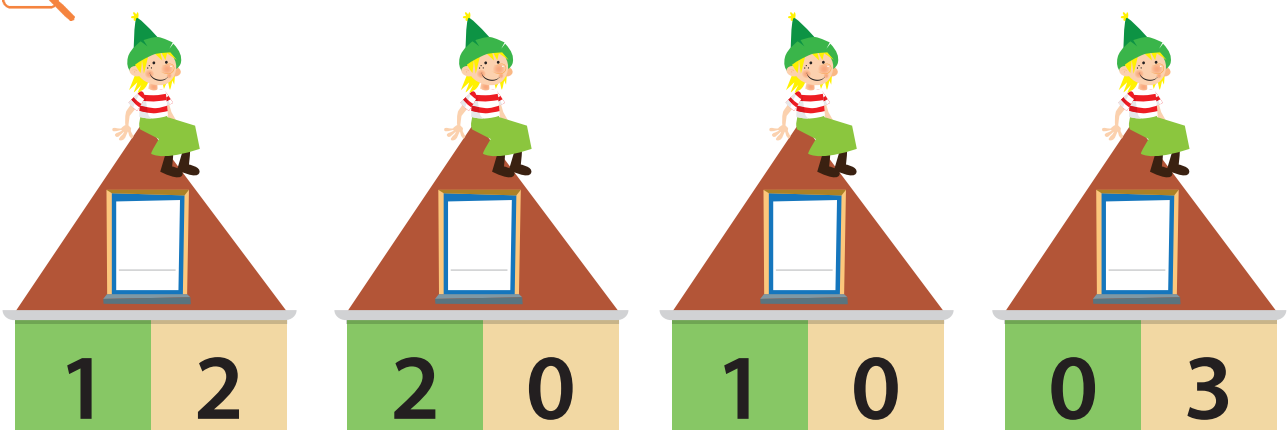

vul de splitsingen in.

6

vul bovenaan het getal in.

dit heb ik vandaag geleerd.

- ik leerde de hoeveelheden 1, 2 en 3 splitsen in twee delen en noteren in het splitsschema.
